Synopsis

I'M FALLING FOR AN OUTLAW I HATE...MEGANI wasn't supposed to end up in an outlaw biker's bed. I wasn't supposed to love it. Then everything changed.I became a prisoner. I prayed for Skin to save me. He did - and he kept me for himself.He's no saint, and I'm no angel. They've already taken so much from me. I'm scared he'll take what's left.Never love an outlaw, they said. I believed it. Damn if I won't make her wear my name, even if she's trouble on two long legs I can't stop picturing wrapped around me.I'll brand her, bed her, own her, no matter how much hell I'll pay. Customer Reviews

Never Love an Outlaw is an utterly fantastic, action-packed masterpiece! I was completely blown away by its unexpected force and intense impact to my heart. This is a story like no other in its depth and breadth of emotion and inspiration. Whatever you do, don't let appearances deceive or underneath the surface lies a breathtaking love story that you will not forget. One minute Megan was living the perfect life of a bored socialite and then she found herself trapped in a living nightmare. She long gave up hope of ever climbing out of her Hell until he showed up. Skin wasn't looking for anything more than an easy payday for himself and his club. What he found would change his life forever. Megan find within herself a strength and a fierceness that she never knew existed until Skin shone the light in her dark pit. She would rock the very foundation of his world while he would grant her the only thing her heart desired most. Will happiness continue to elude these two lost, hurting souls, or will they take Fate by the hand and lead her where they want to go? I was astounded as I walked along this harrowing journey with Skin and Megan. What they received neither of them either deserved. They were beautiful, honest, and true to themselves no matter what. They only wanted to be given the ability to live a life worth living. They didn't ask for the world, but what they asked for was everything. Neither was ready for the force or the impact of the other, but they absorbed all of the love, intensity, and passion that they found. Only the unexpected raw beauty and incredible heart they found in each other was worthy of their devotion and their very life blood. Nicole Snow writes with an unimaginable passion and beauty that flows from her amazing heart.

I received this book as an ARC for an honest review. In this book we meet Skin and Megan. Megan is the rich princess who is looking for her prince charming. However while she is kissing a lot of frogs and not on the lips. One night after another frog makes her feel like she is scum she takes off from his party and wanders away and into the woods. The next person she meets at first makes her feel safe, but she soon realize that she is wrong on so many levels. For the next six months she is stuck in a truck stop working as a prostitute. However she has one thing saving her from too much horror she is a virgin and the man who took her is using this fact to sell her off to the highest bidder.

Megan's other problem though she does not realize it at the time is this man is protected by the Deadhands MC. The VP Big Vic has taken quite a shine to her but not in anyway that she wants. One day Skin and his brothers from the Deadly Pistols MC come to the truck stop to collect fees. Megan doesn't know who they are at first and assumes they are part of the Deadhands and just her to punish and hurt her. Little did either she or Skin know how much they would change after this first meeting. Skin is the treasurer of the club and knows what their financial situation looks like. He knows the club needs money and more than they are going to get by shaking down this whore house. While going through the place to collect from the owner he notices there is something off about him. When the owner insists on staying in the room while he is with Megan he has huge red flags popping up. After making sure he has some alone time with Megan he makes her a promise to get her out of there safely and make sure she gets home.
