## Customer Reviews

This has been very useful for math class in college. It is a great reference to look at when you need to refresh your mind on those math rules. I would recommend this aswell as any of the quickstudy sheets. They are very useful.

this was a very helpful item .itwas in good shape and arived early ,it has really helped my kid with home work

This is exactly what the class required and came quickly in the mail. this is a great reference for anyone to use.

This arrived on time and as I expected it. This is great to put into a binder for quick access when studying.
