Best Sellers Rank: #2,467,519 in Books (See Top 100 in Books) #22 in " Books > Sports & Outdoors > Racket Sports > Badminton

Customer Reviews

The material in the book seems good, but the Kindle version has major formatting issues. Photos and diagrams don't display properly: either they display over the text, so there is text and image showing simultaneously, or the photo is showing off to the right, and is not completely visible. The publisher should fix this problems.

Such a great book that my teacher made me order her two for her class:):)
