In today's cornucopia of prophecy scholars Mark Hitchcock stands out as one of the most sober and levelheaded. Though I sometimes find myself in disagreement with Mr. Hitchcock, his teachings are plain spoken and accessible. His disagreements with other prophecy teachers always seem to be without rancor. In my opinion this approach does a great service to the study of Bible prophecy, because it lowers the resistance to those who might not share his position, allowing them to see a different point of view without seeing it as a personal attack. In the end the discussion is elevated and the search for truth honored.Mr. Hitchcock's latest book, ISIS, Iran, Israel and the End of

Days is a perfect example of this approach. Part history and equal part Bible prophecy, Mr. Hitchcock looks at the rise of ISIS within the geopolitical context of Israel, Iran, Russia, and the greater Middle East in general. He goes on to show how these events potentially relate to prophetic events as described in the Biblical record. There were two chapters of the book which I thought were especially relevant to understanding ISIS and its apocalyptic eschatology: *Metastasis: The Rise of ISIS* and *Apocalypse*. The final chapter, *Do Not Let Your Heart Be Troubled* is a must read for all Christians. It is one of the best treatise I've read recently on the importance of Bible prophecy to both Christians and non-Christians alike.
