The Best Of Dear Coquette: Shady Advice From A Raging Bitch Who Has No Business Answering Any Of These Questions

Synopsis

Explosive advice from LA's mysterious online columnist, Dear Coquette. With her merciless and razor-sharp wit, bolted to one of the most finely-tuned moral compasses out there, the Coquette has been dispensing anonymous advice to her legion of fans on the internet for the last five years. Here, for the first time in print, is the best of the Coquette's advice: on relationships, breakups, breakdowns, sex, politics, and the correct etiquette for threesomes, with plenty more in between. Always honest, always outspoken, the Coquette's anonymity, cloaking a real life identity as an LA party girl with a high-powered job, allows her a brutal frankness that you will not experience from any other agony aunt. Admirers from all over the world have journeyed to her website to seek her practical and empowering advice: now, in the safety of your own home, you can too.

Customer Reviews

Coquette doesn't mince words and she doesn't molycoddle people. I've been reading her blog for a few years now, and really like this book. Nicely done.
