The Origins And History Of The All-American Girls Professional Baseball League

Synopsis

This in-depth treatment of the organization and operation of the All-American Girls Professional Baseball League draws on primary documents from league owner Arthur Meyerhoff and others for a unique perspective inside the AAGPBL. The study begins with a brief history of women's softball, an important precursor to, and talent pool for, women's professional baseball. Next the book investigates league administration and organization as well as publicity and promotion. Later chapters cover team administrative structures, managers, chaperones, player backgrounds, and league policies. Finally, discussion focuses on the activities of the AAGPBL Players' Association from 1980 onward. Informed by many years of research and insights from former players, this exhaustive history contains 149 photographs.

Customer Reviews

There not a lot written about all American.this book gives you a real history lesson.most of these women are in their 90s or mid80s.some are gone.they have a storie to tell.soon there won't be anyone to tell how it was.Folder did an outstanding job.anyone who wants to know the women who played in the big leagues this book is it.

Excellent. Not many people know about the women's baseball league. It's very, very interesting. If you like baseball at all I encourage you to get this. It's funny in places and so full of history. I promise you'll be amazed.

I am the daughter of one of the baseball players who is talked about in this book "ML", my mother gave me the book a few years ago and i enjoyed reading it and getting to know my mother when she played baseball years ago.until her passing in Nov 2014, . This is a must for all baseball fans to buy and cherish with their families and children. Highly recommend you buy it.

This is a must-read book for anybody interested in the All-American Girls Professional Baseball League -- the women who played baseball from 1943-54. It is these women whose story was made into the movie "A League of Their Own." Everything you would want to know about the origin, the rules, the regulations, the schedules, the players, and the results of each season is in this book.
