A Wife For Big John

Synopsis

At first sight, Dani Jones fell in loveânot with Big John, but with his stove. It's the latest model and makes her believe her cooking alone will encourage the Boss Man to let her stay until she has enough money to travel to California and be reunited with the man she promised to marry. Big John Thompson returns from the spring river drive to find the man he hired to cook for the lumberjacks is a slip of a girlâDanielle Jones. To make matters worse, Miss Jones decides John needs a wife, and sets out to find him oneâ [This is a new release of a previously published edition.]

Customer Reviews

Northern Minnesota, 1893 Big John Thompson is a large man whose sheer size and booming voice often intimidates those who don't know him well. He's responsible for the lumberjacks who inhabit his timber camp and because of his last cook's decision to leave the camp he placed an ad for a new cook and hired one - but that's where his neat orderly life begins to take an unexpected turn. Danielle `Dani' Jones has plans to work for John in order to earn the funds to continue her journey to California to be with her fianc ©, Jaime. She raised her sisters after their parents' murders and took over the family orchard until she had all her sisters married off and then she decided to leave the orchard in her sister Donna and her new husband's hands. When times were

hard and money was needed Dani cooked for the local timber camp so she has no doubt she's fully capable of everything required for the position she's applied for and been hired to fill. Imagine John's shock when he returns home from a spring drive with the 'river rats' - men who work the logs down the river often in near freezing water - to discover it overrun with children. He's dog tired and completely clueless about what's going on but it's the discovery of a woman giving birth in one of the bedrooms aided by an unknown woman that has him hitting the floor. Once he's roused from his faint, John's clued into the events as they happened - including the fact that the Daniel he thought he'd hired as a cook is really Danielle. Big John is well aware that allowing Dani to work as the camp cook would never work but he isn't without a heart and has no intention of turning her out.
