Sailing From Canada To Thailand: Adventures On CanKata

Synopsis

This is the story of a Canadian couple who sell their home, buy a catamaran, and plan to sail around the world. When they land in Thailand, they fall in love with the country and make some major changes to their plans.

Customer Reviews

What makes this cruising story special is it spans 6 years. The second thing different from other cruisers is the boat is a catamaran. Last but not least it covers a year in Malaysia and Thailand. It's first class reading with a lot of dreaming, "wish I could do that".

I've read every sailing book available on Kindle and this is one of the BEST!

Good book for giving a perspective what the cruising life is about.
