# Pathfinder Adventure Path: Hell's Rebels Part 3 - Dance Of The Damned

## Synopsis

With a hideout in the city of Kintargo established, the heroes of the growing rebellion are poised to take back the city. But before their group, the Silver Ravens, can strike against the diabolic House Thrune, a few final preparatory steps must be completed. Forging alliances with nearby tribes of aquatic elves and the free-city of Vyre and closing the mountain pass known as Menador Gap will cut off Cheliaxâ™s easy sea and land routes, forcing Inquisitor Barzillai Thrune to rely on his resources at hand to defend his control of Kintargo. Yet nothing is as simple as it could be, and the dangers awaiting the heroes of the revolution in the nearby seas, mountains, and the sin-wracked city of Vyre are not always those you can defeat with a spell or sword. And, of course, Barzillai Thrune wonâ™t take these new developments lying down â” what retributive reaction might one of Cheliaxâ™s most dangerous inquisitors have in plan for the Silver Ravens? A Pathfinder Roleplaying Game adventure for 7th-level characters, *Dance of the Damned* continues the Hellâ™s Rebels Adventure Path, an urban- and political-themed campaign that focuses on a rebellion against one of the Pathfinder Campaign Settingâ™s most infamous nation â” the devil-haunted Cheliax.

## Book Information

Series: Pathfinder Adventure Path

Paperback: 96 pages

Publisher: Paizo Publishing Inc.; Brdgmt edition (November 10, 2015)

Language: English

## Customer Reviews

Not completely horrible on its own, merely mediocre and predictable. But there is really no reason to play through this, since the rest of the AP is so bad. Very bad AP as a whole. Both this AP and the next simply exist to advance one aim, canonizing the efforts of one of the designer's PCs (made an

NPC in this AP, for the instrumental purpose of achieving that goal). Which is counterproductive to the setting, as a setting. These APs (Hell's Rebels and Hell's Vengeance-upon-itself) should never have been published. They are bad, and everyone involved should feel bad. Both of Hell's Vengeance and Hell's Rebel's are part of a terrible trend in Pazio publications, and should be avoided.

Can't wait to throw my players into this one. Enough combat to keep the meat shields from feeling useless, but a solid focus on role playing and intrigue, with special bonuses for those who are thorough in their preparations.
