Pathfinder Campaign Setting: Cheliah, The Infernal Empire

Synopsis

For centuries, the empire of Chelias stood as an example of the greatness humanity could achieve, with colonies and vassal states spread throughout the Inner Sea region. When the god Aroden died on the eve of his prophesied return to the mortal world, the empire fell into a vicious civil war. The victors of this conflict were the Thrice-Damned House of Thrune, who made pacts with the denizens of Hell to wrest control of Chelias. In the decades since, many of the empire's holdings have fallen away, but at its core Chelias remains a powerful nation, now both subservient to and allied with the legions of the Pit. Explore the vast nation and its inhabitants, from the gnomes of Brastlework to the xenophobic, winged strix of Devil's Perch; from the rebellious citizens of Kintargo to Thrune loyalists in the heart of Egorian. A perfect supplement to the Hell's Rebels and Hell's Vengeance Adventure Paths, Pathfinder Campaign Setting: Chelias, The Infernal Empire is a must-have!

Customer Reviews

Good reference on one of the more interesting areas of Pathfinder's Golarion setting. Pretty typical quality-wise for Paizo; good stuff, I just always wish there were more!

Sorry , this is not a work of fiction but a source book for one of the richest and most developed RPG campaign settings of all time.
