Pathfinder Pawns: Reign Of Winter Adventure Path

Customer Reviews

This is an awesome product, no doubt. The pawns are high-quality cardboard stock and are colorful and attractive. My only issue is that this product doesn't come with the plastic bases that would fit on a standard tabletop flipmat and make the pawns play in an upright fashion. But other than this one minor issue, this product is awesome and I'd recommend it to anyone that is running the Reign of Winter adventure path.

These are great quality for the price, they look so nice and crisp I have almost every pawn set that its out at the moment and they are all worth the money for all the pawns you get.

Missing pawns for the adventure. Some of which I understand, coming in base sets, but others I have no idea where they could be found.

Simple the best thing to have if strapped for cash and cant offered to buy miniatures.

Great set!!
