Captivated By The Earl (Regency Romance) (Regency Tales Book 5)

Synopsis

FREE ON KINDLE UNLIMITED Miss Elizabeth Hargrave is the daughter of Mr Henry Hargrave, a successful merchant with the East India Company. They trade in London where the East India Docks are under full construction. It is an exciting time for them all, and Mr Hargrave hopes to finally have enough set aside to provide a substantial dowry for his daughter. She knows his business inside out, but not the womanly ways to secure herself a beau. That is, until the Earl of Strathmore sets his eyes on her. However, by way of an accident, Elizabeth uncovers a plot that will bring down not just the docks, but the East India Company as well – and the Earl of Strathmore is in the middle of it, a merciless chess-master. Will she survive his investigations into her own curiosity, or will she become just another pawn to use to his own ends? But all is not always what it seems and it will take dollop of sense and a tad less prejudice for her to see the Earl for who he really is. But all is not always what it seems and Miss Charlotte’s circumstances are about to change in a manner she could never imagine. Buy it now to find out how it all ends. Customer Reviews

Elizabeth Hargrave is part of her father's shipping business, newly relocated to the almost completed West India Docks. However, there are some who do not want the West India Docks to open.

Enjoyed reading this story, some mystery, sweetness, sadness and social consciousness... ^ I hope you like it as much as I have.
