Hoofbeat Heartbeat

Synopsis

With this, her first novel, Christine Mackenzie wants to get rid of some misconceptions about the glamorous seeming polo world and take us behind the scenes, underneath the glitz. Although this book is fiction, a great deal of truth is undeniably present...Come, take a journey into the hearts and minds of three extraordinary people, follow their fortunes and misfortunes across continents to hauntingly beautiful, exotic places, laugh and cry with them but most of all, realize the beauty in the beast and enjoy the read!

Customer Reviews

An exciting, passionate novel featuring well-drawn characters whose lives intersect in astounding ways. MacKenzie has a clear understanding of the game of polo that she is able to distill into easy to understand moments without detracting from the real story of the lives of three young people, the main characters, who all survive tragedy in their lives in different ways, some healthy, some not. As those three lives come together, a series of events unravel to take the characters and readers by surprise. MacKenzie insures that readers come to know these characters and become invested in them. Look for a new edition coming soon, too, that will improve upon the overall plot and writing.
