Customer Reviews

As a new student in ACIM, I wanted something to use to journal my Workbook study. This is pretty much what I was looking for, something in a Journal-type format with at least the first sentence of each of the 365 Workbook Lessons printed at the top. I realize I could have done the same thing myself with a notebook that has blank pages, but for my first time through the workbook, this is a nice journal to use.

Blank pages! - I did not read the description thoroughly:\- i stopped when it said "a perfect

companion to ACIM Workbook Lessons". This 'perfect companion' is a book of one sentence on each page for pondering the rest is blank for one to "journal" their thoughts.

Easy and Very Useful This journal is great - so easy to find the Lesson and take notes. I have the Course on my tablet and carry 365 Miracles with it. I like to write but sometimes I draw on the page - a picture is worth a thousand words! Looking forward to filling this journal with reflections in the days to come.

Finally I can discard thousands of pieces of paper of various sizes containing my "ah-ha!" moments, memorable quotes, and my plans for the future! 365 Miracles is a personal repository of MY LIFE -- a memoir and a keepsake that will document the process of unfolding the Spirit within me. I am able to write down my thoughts and even to draw what I see and feel. Not only is it a wonderful way to organize my thoughts, but it allows me to create a physical foundation of ideas on which to build.

365 Miracles is a great supplement to doing the ACIM Workbook. It's beautiful and organized. No more sloppy spiral notebooks for me!

I thought I was ordering A Course in Miracles Workbook . . . what I received was a book consisting of one sentence on each otherwise blank page. It looked to be as helpful as a hernia . . . it was sent back immediately and the correct book was ordered.
