## **Customer Reviews**

The *Soulmate Secret* is a good introduction to the Law of Attraction in relationships. It will especially speak to you if you are new to the LOA in love or to the LOA in general. The basic points that Ford makes in this book are:- Believe that your soulmate is out there, looking for you, and that you will find each other.- Don't settle for the almost-there people, but wait for those who are what you want.- Declutter yourself: cleanse your body and your home using Feng Shui techniques to get rid of bad energies and open the doors of your personal space to your future partner.- Declutter your emotions. Get rid of past grudges, hatred and emotional attachments to your exes. Be grateful because they came to your life to teach you valuable lessons, and allow yourself to step up.- Use

vision boards (the author calls it treasure maps), create a love altar and practice loving affirmations.- Love yourself above everything and everybody, not by way of words but by way of your own heart. If you love yourself, you radiate love and attract love.- Let go of how and when you will find him/her, and trust that the Universe/God will deliver your one at the right moment in forms that you cannot even imagine.- Pay attention to your intuition, gut feelings and dreams, because they will speak when your one appears.- Don't wait for your soulmate to have the life you've always dreamed of. Start having it right now.- Be in a state of joyful anticipation but also detached, meaning not needy or desperate. You know your one is coming, just enjoy yourself until the real meeting happens.Voila!Ford constantly reminds the reader, indirectly, about her A-list status, A-list fiends, and her connections with the media. This can be annoying.
